NOVEMBER 1940

VOLUME 34

FRIDAY, JANUARY 30, 1942

NUMBER 40

## Civic Nomination Day Monday

The Annual Ratepayers meeting will be held tonight. Let us hope it is well attended by citizens who come out to hear a report of the Council and School Board for the past year. It will be different than most of them if it is well attended.

Monday is Nomination Day. There are two vacancies on the Council and three on the School Board to be filled.

Retiring Councilmen are Melvin T. King and Wm. Jensen. As far as we can learn these two men, both of whom have given long and faithful service to the Town will stand for re-election if the ratepayers want them. They will be elected for a three year term.

Retiring School Board members are H. Myron Holmes, Chairman of the Board who has been on the Board for about six years, and Arnold H. Zabriskie, Secretary, and J. G. Snow, both of whom have just completed a two year term. We have not been able to see all these men, but we understand they have expressed themselves as willing to serve if it is the wish of the people.

Nominations must be filed at the Town Hall by 12 Noon next Monday, February 2nd, and must be on the proper forms, signed by two accredited Ratepayers of the district, and must be signed by the candidate who has certain requirements to fill George Court is Returning Officer for the Nominations and the election.

## Daylight Saving February 9th

Ottawa, January, 26—(C.P.) All Canada will go on daylight saving time on February 9, coincident with similar action in the United States. Munitions Minister Howe told The Canadian Press today. At present daylight saving time is in operation in most Ontario and Quebec municipalities as a measure to make available to war industry the greatest possible amount of power. It was indicated that the order-in-council extending daylight saving time to the whole Dominion now is in process of being drawn up and probably will be made known shortly.

Last Friday Mr. Howe said extension of "fast time" to the whole country was under consideration.—Leth. Herald.

## Sugar Now Rationed

By an order-in-council which went into effect Monday, Canadians are now rationed to 12 ounces of sugar per person per week. It is unlawful to buy more than two weeks supply at once and heavy fines are set up for infraction of the law.

Sugar bowls will disappear from hotels and restaurants, and customers will only be served with sugar on request. Advertisements will carry the requirements of the act which will govern storekeepers, hotel and restaurant proprietors and the general public of the Dominion.

Buy War Savings Certificates.

## WEDDING BELLS

### ALLRED — LITCHFIELD

Norman, son of Mr. and Mrs. Marlin Allred, and Irene daughter of Mr. and Mrs. Reed Litchfield, both of Raymond, were united in marriage at the Alberta Temple Thursday morning this week, Pres. Edw. J. Wood performing the ceremony. The marriage was witnessed by parents of both young people and a host of friends, who all joined in wishing the happy young couple a long and happy married life.

After a short honeymoon, they will make their home in Raymond, where the groom is engaged with his father in farming. Miss Irene, was guest of honor at a shower last week where she received a lovely lot of useful gifts for home making. They are receiving the congratulations of all their friends for happiness and success in their matrimonial journey, in which we join most heartily.

## Air Cadets Being Organized

With Dr. F. M. Hall as Chairman of the five man committee, the preliminary work to the actual organizing work of Raymond's Air Cadet troop is under way now and an announcement of the date of selecting the troop should be forthcoming soon.

There is considerable foundation work to be taken care of such as obtaining the troop charter, acceptance of the committee personnel, etc., which requires several letters, and as soon as this has been finished the boys will be organized and started to work.

Will Lamb and Wilson Rolfson were busy Wednesday afternoon for a couple of hours putting in the new windows in the Pharmacy which were broken Saturday.

### DRAY TEAM RUNS AWAY

One of Ralph's dray teams caused a few minutes excitement Saturday forenoon when they broke into a run in the Mercantile lumber yard and took Broadway for their race course. They started toward the front of the Mercantile store and then swung out.

They charged down the street with the wagon behind them, and turned in again at the Pharmacy. Just as they reached it they whirled, one horse slipping into the windows and breaking two as they turned, and then with the one horse lying on his side on the sidewalk in front of the Recorder Office, wagon, team and all on the side walk. One car in front of the Mercantile had the back fender damaged as they swung out and one sitting at the curb in front of the Recorder had a front fender damaged some by the impact of the wagon wheel just as they came to a stop. Luckily no one was injured in their run and the damage while plenty, could have been much worse. This was once when the news came to us. We had a horse with all four feet right in our door.

## Funeral Services For Mrs. Stanley Cook

The First Ward Chapel was filled to overflowing Monday afternoon for the funeral service of Mrs. Stanley Cook, who passed away early last Friday morning in the Magrath Hospital. Bishop Hicken of the First Ward was in charge, and the Choir was directed by Ira McBride, with Roi Stone at the console, and members of both ward Choirs assisting. The large audience, and the lovely flowers covering the casket and rostrum were silent tributes of the esteem in which deceased was held.

The opening song "Sometime We'll Understand" was followed by prayer by Pres. H. S. Allen, and the second song was "Resting Now from Care and Sorrow."

Elder C. E. Allred was the first speaker, who had known parents of deceased and her husband for many years, and lived neighbor to the family for the past six years or so. Deceased was descended from parents and grandparents who had been willing to sacrifice all for the Gospel, and he had always admired her devotion in getting the four children off to Sunday School, and going herself when ever her health would permit. He had admired her faith and patience in her long illness and urged relatives and neighbors to assist the father now in caring for the children and to help fill the gap that the mother's passing will make in the household.

Mrs. T. T. Mendenhall and J. G. Snow sang "Whispering Hope," and Jos. McLean sang "One Fleeting Hour."

Bishop Elmer Ririe expressed his sympathy for the bereaved husband and children but said that we are governed by law, and this change of death was one of the unalterable laws. The husband and father had been snatched from death's arms a few years ago, so that he could remain and carry on, because the appointment had been made for wife and mother to pass on. We choose our own path, and make our own future, and he urged all to follow the example of service and devotion of deceased, so that when our time comes we may join her. Related circumstances of Savior's death, and the signs that followed his death and resurrection in the changes in the geography of the earth, testifying to the truth of his mission and the literality of the resurrection. Those who pass on are given their appointments in the spirit world, and Laura, had already received her instructions and was at work in the great work of salvation of the children of God.

Mrs. W. W. Brandley and Mrs. Frank Clawson sang "There is Hope Beyond the Shadows."

Bishop Hicken spoke very briefly, thanking, on behalf of the family, everyone who had in any way assisted during the illness and death of Mrs. Cook. He spoke of her faith in calling for the Elders of the Church during her illness and said that her faith was such that these administrations always eased her suffering. She had been patient in her afflictions, and he hoped that the spirit of service she had always manifest would be shown now in behalf of the husband and children who were left.

The closing song was "I Need Thee Every Hour" and Pres. T. Geo. Wood offered the benediction. A large cortege followed the remains to the cemetery where interment was made with Christensen Bros. in charge.

Mrs. Laura Cook was 38 years old, a member of the Christensen family of Stirling. She had had a great deal of illness in her life and had always been a patient sufferer. About ten years ago, her husband was in an accident in a truck, which nearly cost his life but he recovered, and the stress and strain of his accident and the extra work it put on decreased, aggravated an already weak heart and for several years past she had been constantly growing worse. Her passing, while regretted by everyone, was a great relief to her. Our deepest sympathies go out to the husband, and the four children, ranging in age from 5 to 12, who are left to mourn the passing of wife and mother.

## Raymond And District Now Organized

An organization meeting was held Wednesday night, when the Victory Loan Drive, which starts the middle of February was organized and when the date arrives the committees and salesmen will swing into action all over the territory.

Following are the key men lined up to handle the drive: Unit Organizer for Raymond Unit of Warner Division—Rulon H. Dahl.

Chairman—H. S. Allen. Vice-Chairman—J. W. Evans. Public Relations—Lee Brewerton.

Sales Chairman—Heber F. Allen.

Special Names—O. H. Snow. Citizens Committee—Mayor P. W. Cope, Pres. T. Geo. Wood, Dr. F. M. Hall, Lloyd MacPhee, J. O. Hicken and L.L. Palmer. Sub-Unit Chairmen—Welling—A. A. Wilde. Stirling—T. A. Spackman.

Wilson—Phil Baker. A special Rally meeting of all workers will be held during the first week in February, and the drive will officially open Monday, Feb. 16th.

The 2nd Ward M.I.A. Fireside was held Sunday evening at the Bishop Palmer home. Mrs. J. H. Walker was the speaker of the evening and Billy Mehew sang a solo. Community singing was greatly enjoyed with Mrs. Emma Dahl at the piano.

Mr. and Mrs. S. B. Card and Mrs. J. H. Wilbeck are holidaying in Arizona and California. Stew. wrote back that they spent a couple of days in Utah in cold weather and two feet of snow and they were going on to Arizona to see if they could find some weather at least as good as what they left in Alberta.

## Youth Training School Under Way

### LOYALTY TO REQUEST OF GOVERNMENT

Sugar rationing locally is a matter of considerable discussion. We have a number of people in the district who make it a practice of putting in supplies in large quantities, and the following story grows out of one such case.

One prominent citizen always buys a year's supply of sugar in the fall of the year, and did so last fall. When the rationing was announced, first thing Monday morning, his grocer was asked to call and bring back to the store 600 lbs. of sugar, part of the year's supply still unused.

We think this shows a fine spirit of co-operation & loyalty when without any hesitation, such a move is made. It is very commendable.

### QUARTERLY CONFERENCE NEXT MONTH

Quarterly Conference will be held February 21st and 22nd. The Saturday evening Priesthood meeting will be held in the Stake House here, and the three Sunday meetings will be held in Magrath. More details of the Conference program will be given later when the programs are arranged.

## Meeting Re A Cheese Factory

A Public Meeting will be held Wednesday evening, Feb. 4th in the Town Hall at 8 p.m. when E. T. Wood, District Agriculturist of Westlock district, and S. S. Graham, Agriculturist of the Lethbridge District, will speak on Dairying Cheese making, etc. Everyone interested is invited to attend. A question period will follow the lectures. Remember the place and time.

### LETTER FROM ENGLAND

England Dec. 14 1941

Dear Friends:— I wish to express my thanks for the lovely Xmas parcel received from you folks back there. Hoping this message reaches each and everyone responsible for the kind thoughts and gifts.

Sincerely Yours Gno. T. A. Betts.

### SCHOOL TEACHERS PROVIDE PROGRAM

The First Ward Sacrament meeting program Sunday evening was provided by members of our teaching staff of the schools and was very interesting and much appreciated.

Miss Martha Thomas gave a very interesting talk, and Miss McCausland delighted the congregation with a talk on "China and Its Customs." The speaker spent three and a half years as a missionary of the Presbyterian Church in China, and her remarks about the people of the Orient and their customs were very interesting.

Miss Edythe Merrill sang a solo and Miss MacDonald rendered a piano solo. The entire evening was very much enjoyed by the large congregation present.

Raymond's second Youth Training School got under way Monday morning last. Wm. A. Anderson is supervisor of the school and as assistants he has, Misses Knox, Moulder and McLain, and Messrs. Miller and Peters making a staff of six.

The lectures, general assemblies and ladies work, including sewing, knitting, weaving, home economics, etc. are all held in the 2nd Ward Church and the Carpenter Shop and Mechanic shop are held in business houses on Broadway.

Starting with about 60, the registration has swelled to nearly 70, and on Wednesday the student body organization was effected, with the following elected:

Pres.—Bruce Heggie. Vice-Pres.—Mrs. Laura Watson.

Sec.—Treas.—Mrs. Sam Dyson. The succeeding two weeks will be busy and interesting ones for the school and will culminate with a banquet and program. Registration is somewhat diminished because of the large number of young men who have enlisted for service.

Lectures, to which the general public is cordially invited, will be given by experts in the classes at the Youth Training School next week, as follows: Wednesday afternoon at 1:30, Messrs. Wood and Graham, Agriculturists of the Provincial Dept. of Agriculture will lecture on Dairying Soil, Feeds, etc.

Thursday forenoon from 9 a.m. Wm. Painter, Dominion Entomologist from Lethbridge will talk on Grain Aphids, Sawfly and other grain pests.

Thursday afternoon at 1:30 Jack Downs will lecture on the topic of "Poultry Raising and Egg Production."

Friday morning Asst. Superintendent A. E. Palmer of the Lethbridge Experimental Station will talk on "Future Possibilities of Irrigation."

Interested parties of the town and district are urged to attend these lectures and add to their store of knowledge on these subjects.

In a warm up game in Cardston Wednesday evening, the Union Jacks were victorious and had a very enjoyable trip.

"The Corsican Brothers" which played at the Capitol the first of this week was an outstanding offering Superb action, lovely scenery, and breath-taking sequences in the story made a really thrilling evening. The house was packed Monday night.

### VICTORY LOAN COMING UP

Raymond's Victory Loan Committee for the second loan is organized and ready to go. About the only change in personnel is the Unit Organizer. Jas. H. Walker, M.L.A. had this job for the first loan, but because of his enforced absence during the time of the loan, he asked to be relieved of this responsibility, and Rulon H. Dahl is taking on this part of the work.

Lee Brewerton is again Publicity Director, and has some good plans on foot, which will be made known in their proper time. It is expected that the loan may be launched with a public concert when some explanatory speeches of the details of the loan will be mixed in with some musical numbers.

### WHERE THE PEACE IS BEING MADE

At this moment, when we are only just rousing ourselves to the waging of desperate war, and on dozens of far-flung battlefields the case is desperate and doubtful still—it is no time to be dreaming about the possible shapes of peace. We shall have peace when we have shown the wit and will to conquer it; and that is the only directive now. But neither is it any time for those small, mean and corrosive doubts about the free peoples' ability to build the peace when at last they may have won it and a great part of the significance of the historic decisions of the last few days will be lost unless their immense promise, not only for the present but for the future is fully realized.

Full unity of fighting command already established over the combined forces of four different powers in the Far East; unity of planning and grand strategy already established at Washington among these nations and many more; unity and co-ordination of economic power and material resources already achieved right around the globe from Moscow to Canberra—these represent enormous strides toward the common victory, but they also re-

present great strides toward a common organization of the world that can and surely will long outlast the crisis that has made them possible. Nothing approaching this was achieved even on paper in the first World War until its final moments; and even then there was probably not in fact anything like the genuine interlinking of military, economic and political resources among the Allied coalition which this crisis is compelling and which we now see beginning to appear.

Those who permit themselves pessimistic memories of the divisions, unwisdoms, quarrels and reactions which swept the victor powers in 1919 forget that 1918 laid no such foundation for the future as the perils of this great cataclysm are bent to establish and are already establishing. We have been taught the folly of supposing that our experiences in the last war could be a final and complete guide to our policy before the catastrophes of this one; it is no less foolish to imagine that the experiences with the former peace are the last word upon what can be done with the peace to come. To do so is once more to deny the vitality of human history.

It is utterly unrealistic to picture this war ending in another armistice, another convocation of statesmen like that at Paris, another formal peace treaty and another wave of disillusion cynicism and incapacity among the victors. It is quite possible that there will never be a formal peace treaty at all, but that the war will end in stages—stages of collapse among the brutal servitors of world Hitlerism and stages of practical adjustment by the free peoples to the successive practical problems that

world organization will raise. The peace is not something that will be written at some distant future date when the guns have fallen silent. It is something that is being written now with every burst from a free man's machine gun, by every free pilot or bombardier or turret captain, by every free worker behind them feeding them the bombs and shells and tanks and ships and in the process co-operating with every other free man and woman, who only by working and fighting together on a world scale can win this world crisis.

It is being written in the decisions at Washington; it is being written by the necessity which forces a Russian infantryman before Moshaisk to rely on a British tank, diverted from Libya because American planes were sent to Africa in sufficient strength to hold that line and so lessen the pressure on Australians in Malaya and Filipinos under MacArthur who are dying to save the California workers who are pouring out the planes and guns that are helping to buttress the bulwark of the British Isles. That is where the peace is being written, who can doubt that it is being written in letters that will last?

Reprinted for Distribution by  
Alberta Wheat Pool.

Inspectors Ward and Armstrong are at present making the annual inspection of the local Treasury Branch. They hope to finish this week end.

Wm. Zemp is home now and getting around a little after a four month's illness during most of which time he has been in hospitals in Calgary and Edmonton. We wish him a speedy and complete recovery.

## How Rent Control Affects You —

as a landlord as a tenant

AS a part of the general plan to halt further increases in the Cost of Living, the Government on December 1, 1941, extended the policy of the Price Ceiling to rentals for all commercial and housing accommodation in Canada. Generally speaking the new rental laws provide that:

- (1) No oral or written lease for any commercial or housing accommodation (furnished or unfurnished) may legally be made after October 11, 1941, at a rental higher than the rental lawfully payable under the lease in effect on that date unless an application for increased rental has been made to and approved by a local Rentals Committee of the Wartime Prices and Trade Board. Such an application must be based on specified circumstances arising since October 11, 1941.
- (2) A tenant is entitled to a renewal of his lease unless the landlord requires the premises for certain reasons named in the Board's Rental Orders and has given the tenant a written notice to vacate within the time and in the manner prescribed therein. If this notice to vacate is contested by the tenant, the landlord must secure a Court Order for possession.
- (3) Copies of all Rental Orders and Regulations of the Board and application forms for rental variations are available from any of the regional or sub-offices of the Wartime Prices and Trade Board, and in areas where such offices are not yet established, from the Clerk of any County or District Court or local Rentals Committee.

VIOLATIONS of these orders are punishable by law and should be reported in writing to the Prices and Supply Representative Regional Office, Wartime Prices and Trade Board, at the nearest of any of the following cities: Vancouver, Edmonton, Regina, Winnipeg, North Bay, London, Toronto, Brockville, Montreal, Quebec, Saint John, Halifax or Charlottetown.

### NEWS NOTES

Carpenters and decorators have been busy this week in some of the hotel rooms, fixing them up for summer.

Clifford Gough was operated on Monday morning for appendicitis and is progressing as well as can be expected. Dr. Madill is in charge.

The lid was lifted on the sale of some out size tires the end of the week. However, most passenger cars are not benefitting by the release as the saleable tires will not fit many of today's passenger cars.

Famine conditions in Athens, Greece are so acute that 2,000 died from starvation in one day and bread is selling for as much as \$15 a loaf. And then some of us think we are hard hit.

Mr. and Mrs. A. E. Hancock of Edmonton were here Monday for the funeral of Mrs. Stanley Cook, sister of Mrs. Hancock, and returned to their home Tuesday.

## VANCOUVER

Of course you're coming to Vancouver — it's the right way to break the monotony of the long, dark days. You'll enjoy every minute of your stay at the Grosvenor — excellent dining service — quiet comfortable, homey rooms — the great lounge, and open fireplace, writing rooms — everything you desire. And shopping and theatres around the corner. Rates from \$2.00 up. 180 rooms.

### WEEKLY LETTER

#### SOYBEANS

Experiments at the Lethbridge Experimental Station indicate that soybeans show some promise of becoming a commercial crop in Southern Alberta, particularly on irrigated land. The interest taken in them in recent years has increased very rapidly, and the fact that Canada's source of vegetable oils from the East were cut off when Japan came into the war has stimulated the interest in them still further. Soybeans make a particularly good companion crop for sugar beets, since they can be sown with the sugar beet drill and cultivated with the sugar beet cultivator. Harvesting and threshing

present no problems now since they can be harvested with bean harvesters, or cut with the grain binder and threshed with threshing machines or combines with the few minor alterations ordinarily made for threshing field beans, or they can be straight combined. The development of the Kabott and Pagoda varieties at the Central Experimental Farm at Ottawa about four years ago meant a definite step forward in soybean production in Alberta. Previous to that time only two varieties, namely, Wisconsin Early Black and Manitoba Brown, could be depended upon to ripen in Southern Alberta, and their dark colour and strong tendency to shatter made them undesirable. Soybeans have been tested at the Lethbridge Station for many years, but from 1934 onward more attention has been given to them.

On the irrigated land at the Lethbridge Station the two varieties recommended above gave an average yield for the last three seasons as follows: Kabott 25.6 bush. per acre, Pagoda 24.5 bush. per acre. Kabott required an average of 139 days to ripen, while Pagoda ripened in 134 days. These yields are from small plots grown under ideal conditions and are somewhat higher than those generally obtained by farmers. In 1941 one of the best crops in the district yielded approximately sixteen bushels per acre. There is good reason to expect, however, that by making every effort to provide optimum conditions, the yields can be increased considerably, as was the case with sugar beets when farmers became more skilled in producing them.

### PROVINCIAL HOUSE OPENS

The Provincial legislature is now in session, having opened yesterday. There is not a very large agenda on the slate, and unless unusually long debates develop the session may be a rather short one. Both Social Credit and Independent groups have been in caucus, preceding the session, and our own member, Jas. H. Walker, was made caucus chairman for the Independent group. The budget is expected to be brought down early in the session, and the University act, debt and tax agreement are foremost in matters for discussion. There will be very few formalities and little fanfare in connection with the session.

Mr. and Mrs. Geo. Fromm Gordon Brewerton of Card were business visitors to Calgary was a Raymond visitor on the bus today. Monday.

## You Must Have a Licence by March 31, 1942

Every Person or Firm is Required to Have a Licence

1. if engaged in the business of buying for resale or selling any commodity; or
2. if engaged in the business of supplying any of the following services: the supplying of electricity, gas, steam or water; telegraph, wireless or telephone services; the transportation of goods or persons; the provision of dock, harbour, or pier facilities; warehousing or storage; undertaking or embalming; laundering, cleaning, tailoring, or dressmaking; hairdressing, barbering, or beauty parlour services; plumbing, heating, painting, decorating, cleaning, or renovating; repairing of any kind; the supplying of meals, refreshments or beverages; the exhibiting of motion pictures; process manufacturing on a custom or commission basis.

IF YOU HAVE ALREADY APPLIED FOR OR OBTAINED A WARTIME PRICES AND TRADE BOARD LICENCE UNDER A PREVIOUS LICENSING ORDER, YOU SHOULD NOT APPLY AGAIN

### Why Licence Applications Should Be Made At Once

Apart from the legal requirements, licensing of your business will enable the Board to advise you quickly and fully of the price ceiling regulations that affect your business.

The name of every person who has been granted a licence or who has already applied for a licence is being placed on the Board's mailing list. Your name will be added when your application is received.

### To Get Your Licence

1. Get an application form at your nearest post office.
2. Complete the application and mail it, postage free. There is no licence fee.
3. You will receive by mail a Licence Identification Card bearing your licence number.

### Those Who Do Not Need a Licence

1. farmers, gardeners, livestock or poultry producers, and fishermen, unless buying goods for resale.
2. employees of a person or firm which is itself subject to licence.
3. operators of private boarding houses.

NOTE: Persons who have already applied for or obtained a Wartime Prices and Trade Board licence should not apply again.

### WHAT THE LAW REQUIRES YOU TO DO

After March 31, 1942, any official, representative, or investigator of the Wartime Prices and Trade Board may require you to produce your Licence Identification Card if you are subject to this licensing order.

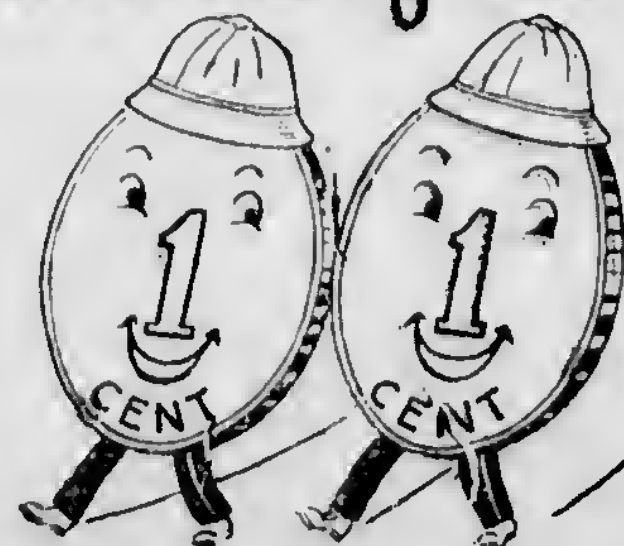

After March 31, 1942, you must notify the Director of Licensing of the Wartime Prices and Trade Board, Ottawa, in writing, quoting your licence number, of any change in the name, address, or character of your business within 10 days of such change.

You must retain your Licence Identification Card as it will remain in effect, unless suspended or cancelled, as long as the Maximum Prices Regulations continue. If you are already licensed, a Licence Identification Card, valid for the duration of these Regulations, will be automatically mailed to you before March 31, 1942. You need not apply for a renewal and there is no licence fee.

FOR FURTHER INFORMATION WRITE THE REGIONAL DIRECTOR OF LICENSING, WARTIME PRICES AND TRADE BOARD, AT THE NEAREST OF THE FOLLOWING CITIES: VANCOUVER, EDMONTON, REGINA, WINNIPEG, TORONTO, MONTREAL, HALIFAX, SAINT JOHN OR CHARLOTTETOWN

### CARD OF THANKS

We desire to express our deep  
appreciation for the kindness  
of our many neighbors and friends,  
extended to us during  
the illness and death of wife  
and mother. For the flowers,  
the expressions of sympathy,  
and for everything that was  
done to make our bereavement  
easier, we are deeply grateful.

Stanley Cook and Children.

Five inches of snow fell at  
Spring Coulee Wednesday eve-  
ning, and about three at Card-  
ston. We barely had enough to  
show on the ground in the mor-  
ning.

### OUR LETTER BOX

Ottawa Ont.  
December 9th, 1941.

S. I. May, Esq.,  
The Recorder,  
Raymond, Alberta.

Dear Mr. May:

May I take this opportu-  
nity of expressing my sincere  
appreciation of the fine co-op-  
eration and assistance extended  
by your publication in recent  
months in supporting the War  
Weapons Drive.

One of the chief contribu-  
tions to this phase of our war  
effort was the excellent support  
and generous allotment of space  
provided by newspapers throu-  
ghout the country for fea-  
ture articles, news items and  
typewriter advertisements.

The newspapers have ren-  
dered invaluable help in their  
editorial and news columns and  
in no small measure, are re-  
sponsible for the success al-  
ready achieved by the War  
Savings Movement.

Yours very truly,  
J. L. Hilsley  
Minister of Finance.

### NEWS NOTES

Pres. Heber F. Allen and Mrs.  
J. H. Walker were speakers at  
the 2nd Ward Sacrament meet-  
ing Sunday evening, filling a  
Home Missionary appointment  
postponed from the previous  
week. Billy Mehew sang a vocal  
solo and a male chorus by the  
Mutual singers were the special  
numbers of the evening. A  
large congregation was present.

Ray Rasmussen, who is home  
on leave from Yorkton, Sask.,  
was guest of honor at a supper  
Monday night at the Taketa  
home south of Raymond. Mes-  
dames Taketa, Iwassa and Mat-  
suna were hostesses and neigh-  
bors all gathered for the ban-  
quet and spent the remainder  
of the evening in games and  
visiting. A most enjoyable time  
is reported.

Theodore Ehler reports a  
nice well on his lot at the west  
of town. He said the flow of  
water was struck at 33 feet  
and it rises to within a foot of  
the ground level. He is putting  
a pump on it and was busy Mon-  
day morning getting some pipe  
and fittings for this installa-  
tion. Good water and plenty  
of it was the way Theodore  
described the new well.

Mrs. Reg. Cooper returned  
home Wednesday morning after  
nearly a week in Cardston at

### FRAWLEY TAKES OVER SUGAR BOWL

The Sugar Bowl and Hotel  
which have been closed for a  
couple of weeks, are opening  
again this week-end, under the  
management of J. V. Frawley  
of Magrath, who operates "Vic's  
Coffee Shop" in the Garden  
City.

The new manager was busy  
Wednesday and Thursday clean-  
ing and kalsoming, getting  
ready for opening and has ex-  
pressed his intention of cater-  
ing to the trade with the best  
of everything. During his year  
of operation in Magrath he has  
made the Coffee Shop there a  
popular refreshment stand, and  
with his experience gained there  
will no doubt maintain the  
fine record already made by  
the Sugar Bowl here in Ray-  
mond. Watch for announce-  
ment.
